

ARTIST'S STATEMENT (2004)

Liang Yee Woo Evelynna

For many years, this is what I believe:

Art is life and it should be for everybody to enjoy.

Art should be for the common people in the common place.

Art should be easily accessible and understood by all no matter of age, gender or race!

I also believe in the good nature of mankind, and that all men and women are created equal.

We are all created in the image of God, and that we all have the power to love and care for each other.
