

ARTIST'S STATEMENT (2004)

Kum Chi Keung

小鳥每天在上空飛過.....

社會充滿新奇和刺激，容易令人失去自我；
從一件普通的事物，尋找到它的極限，
當中細看可能發現它有很多微粒。

Birds fly across the sky everyday

The society is full of wonder and excitement,
so easy for us to get lost;
when we try to find limitation in an ordinary incident,
there may be lots of particles inside.
