

This programme is designed for students who are new to the discipline. It aims to stimulate students' interest in visual arts and widen students' understanding on works of art in different cultures

Students will learn the basic vocabulary in visual arts, major developments in the histories of art, ranging from ancient to the modern world, with particular focus on famous art works. This course will involve seminars, studio classes, local museum visits. By the end of the course, students will have developed the ability to interpret works of art, and thus enjoy a deeper appreciation of them

Priority will be given to local & overseas Form 5 to 7 (or equivalent level) students. Mature students are welcome to apply

Programme fee: HK\$2,800
